MEMORANDUM FOR ALL YOKOTA AIR BASE PERSONNEL

FROM: 374 AW/CC

SUBJECT: Off-Limits Establishments Order

1. As the installation commander, I am responsible for maintaining the good order and discipline of all service members and the health, safety, and welfare of all personnel on Yokota Air Base. I take this obligation seriously, and it is for this reason that I am issuing the following lawful order until further notice:

All Yokota Air Base personnel are prohibited from entering the following establishments:

- Rainbow Tribe (on Route 16 south of the Fussa Gate)
- Buzz Montage (on Route 16 north of the Fussa Gate)
- American Rush (Straight out the Fussa Gate next to 7/11)

2. Investigation has shown that the above-listed establishments are engaged in the unlawful sale of controlled substances.

3. This order applies to all SOFA-status personnel, including military members, dependents, DoD civilians, and DoD-invited contractors. The above-listed establishments are not to be entered at all, regardless of the time of day or night. A violation of this order can subject the violator to all forms of available punishment to include UCMJ action and/or barment. Additionally, a change in ownership, management, or name of the above-listed establishment will not revoke this order automatically.

4. Pursuant to Agreed View 6 to the Status of Forces Agreement, Yokota law enforcement agencies will notify Japanese police that these establishments are off limits for United States Armed Forces personnel, the civilian component (including contractors), and dependents.

A handwritten signature in black ink, appearing to read "Paul E. Feather", is located above the typed name.
